CLUB HAPPENING

State of the Club – Fall 2021 Edition

2021 has been a great year so far for The Georgia Club. Our Golf Membership category is full with a wait list to join. We continue to see more new faces at the Club. All of our Club events have been well attended and we continue to monitor the Covid-19 situation.

We continue to make significant improvements to the club to enhance your experience. Over \$2 million has now been spent in the past five years and we will continue to reinvest in our Club. We still have a few projects that we hope to complete before the end of the year. We are also planning to complete our green side bunker project by February of 2022. Here is a list of items that have recently been completed and a few more to come.

- Another Fitness Expansion
- Cart Path Repairs & Enhancements
- Tree Removal & Maintenance
- New ClubCar® Cart Fleet Arrived

June marked the 20th Anniversary of our club. We have had many fun activities and events that have celebrated this milestone. Hopefully you have noticed our commemorative

logo introduced on some of our merchandise and in our weekly marketing emails. Chef Ray will also be celebrating by creating farm dinners consisting of popular dishes from 20 years ago, and so much more – stay tuned. These past 20 wonderful years of serving our members have been nothing short of memorable and we look forward to hearing your stories and creating more memories together for the next 20 years.

We are looking forward to a wonderful fall season at the Club. The Fall season will bring great course conditions, football and plenty of opportunities to come out and enjoy your Club.

I speak for all of our associates when I say, “it is our true pleasure to serve you” and I look forward to seeing you at the Club soon.

Thomas Brown is a full-time maintenance staff employee at the club and "is just a really good employee." He is always on time and present when he is scheduled to work, and has worked numerous times he is not scheduled. Thomas always stays until his task is complete. He has been working at the Club full-time since 2015 and has been a full-time University of Georgia student at the same time. Thomas recently graduated with a degree in journalism.
