When you see the ‘no carts’ sign, do you have to park the golf cart right next to the green? And how many balls are enough for hitting on the range? After hitting about 50 balls you are just practicing bad habits. Do you really need to take a new divot for each of the 50? Really? And no outside alcohol means no outside alcohol.

When the sign at the pool says ‘one towel per person’ do you have to take two or three per family member? I can’t tell you how many times I have seen a family of four, for example, with eight or nine towels. Just because they are there, cleaned and rolled up doesn’t mean it is okay to take more than suggested. Taking more than asked is just saying you don’t care.

I try to work out in the afternoons when I can. In my opinion, it’s just common courtesy to wipe down a machine or piece of equipment when you finish; especially a treadmill or an elliptical when you have been sweating up a storm; particularly in the winter months when there is quite a bit of flu going around. No one wants to share your DNA.

Service seems to be a hot topic from members who frequent the dining area. I would have to agree that sometimes service is lacking. But remember this, a good part of the service staff is working part time while going to school. Their number one priority is most likely school. I suggest if you become unhappy, say something. These are very young adults and they are someone’s kid. What if it were your son or daughter? Would you want them to be disrespected or treated badly? Really? Bottom line, if you see something, say something. Speak constructively to their supervisor if you want to see change.

AROUND THE CLUB

Undercover Member

Really?

I enjoy almost every part of being a member at the Georgia Club; golf, swimming, the workout center, the lounge and dining room, trivia nights, and so on. By being an active member, I get to see a lot of things. Sometimes, I just have to say “really?”

Trivia Team Winners!

And what’s up with parking personal carts around the turn around in front of the clubhouse in the evenings? Am I the only one who knows where the designated cart parking area is? At a recent Trivia Night at the club I counted no less than 10 carts parked in the area designated as no parking and not a single cart parked in the area behind the administrative offices as suggested. If there is an emergency and the fire department had to get close to the clubhouse, I guarantee you they will move your illegally parked golf cart with their firetruck.

Full disclosure, there are a lot of good members here at the Georgia Club. I would venture to say the vast majority, like me, get it and understand but like all clubs, there is going to be a portion of the membership that expect more than is realistic and/or push the limit on the rules or guidelines. To this minority, the rules don’t seem to apply. But guess what; THEY DO! Don’t get me wrong; I am not judging anyone. I just seem to observe behavior sometimes that makes wonder ‘really?’; is that really necessary?
Future Stars
Monday & Wednesday ■ 4:30-5:30 p.m.
Members, $15/class
Non-members, $17.50/class
Ages 5-10
Focuses on helping young players the proper tools to be able to play the game at a high level in their future. The seven fundamental shots will be broken down and taught to our young players with a strong emphasis on balance and control mastering the parameters of each stroke.
