**Mah-Jongg Instructional Class**

Wednesday, November 13 2-5 p.m.  
Dawgwood I Ballroom  
Presented by Debbie Mullian.

Mah-Jongg is an Asian game that’s been around for 82 years. It’s similar to a card game, but played with tiles and a card that has different hands to create a Mah-Jongg hand. A new card comes out each year through The Mah-Jongg League. The object of the game is to form a hand on the card before anyone else at the table. The table has four players who play against each other to win Mah-Jongg. A card table is the best table to play on. Each person has a rack of tiles that no one sees, but you.
It is a very rule-oriented game. It takes time to learn how to play. I thought that I could introduce the game to those that are interested to have their own regular get together to play.

I will explain the object, tiles, rules and card in this first lesson. From there, if people are interested in learning more, I will be more than happy to teach the groups of four in more detail at their home or mine unless the club is available for other afternoons.

We typically play with money, quarters, dimes, and nickels because each hand has a money value of 25¢ cents or a little more.

To RSVP, please email reservations@thegeorgiaclub.com.

Welcome New Members!
The Georgia Club is now a private country club. So what does it mean being a private club?

The fact that we are now a private club doesn’t mean that all capital expenses fall on the shoulders of the membership. We are still owned by a corporate entity that will continue to invest into the club’s general expenses such as maintaining and improvements.

Choose One Dessert:
- Apple cobbler
- Pumpkin pie
- Pecan pie

A’ La Carte:
- Whole roasted turkey, $75++
- Smoked turkey, $75++
- Individual dessert, $15.95++

Let the Georgia club take all the work out of Thanksgiving. Orders must be placed by noon on Monday, November 25 and can be picked up between 9-10 a.m. on Thanksgiving Day, November 28.

To place an order, email mchapman@thegeorgiaclub.com or call 770-725-3110.

Josh Stone has been a great asset to our Food & Beverage team. He has been a great leader and works hard to lead the culinary team on our Trivia events and weekly monthly dining. We are proud to award him the Grand Slam winner on October 3.

Syreena White who joined our food and beverage team earlier this year from Ritz Carlton. She is reliable and works hard. She has been a wonderful addition to our banquet staff.

Ragan Bryon joined the Georgia Club golf department a few months ago and has been a helpful and reliable employee in the department. She is very hospitable to our members and staff. We are proud to award her the Cloverleaf award for November.

TGC Employee Anniversaries

TGC Team Member Anniversaries for the month of November!

Grant Casper – 18 years
Thomas Brown – 4 years
Caramie McFarlin – 3 years

No more will we be able to blame unavailable tee times on the Golf Now crowd. No more will we be able to blame unfilled grass divots on the golf course or unfixed ball marks on the greens on outside play. No more will we be able to blame trash in the parking lots or litter inside the gates on ‘outside visitors.’ If there is damage, litter, theft or vandalism, we own it. Any shenanigans going forward are on us.

I hope we all understand that even though the announcement to go private included a statement that dues for members would not initially increase, that statement is based on two things; the number of members we have and maintain and if our current expenses remain the same, generally speaking. What that tells me is that if we haven’t done it in the past, it is now time to become self-aware and take care of ‘our’ club to keep our membership intact. We now have to self-policing ourselves and if you see something that is outside of the club’s rules and guidelines, say something. Say something to each other and to our administrative offices.

We have to hold each other, as well as our management team, accountable and do what is necessary in order to keep 9pt in the condition that got us to this place. Status quo may not cut it; we now own it, so our goal should be to make The Georgia Club better than ever.
The 10th Annual Community Challenge Golf Tournament is coming up. That means that it’s time for the communities to begin the process of selecting their teams.

The competing teams will be as follows:
- Fairway Heights / High Bluff / The Village
- Bent Pine
- Wexford Gardens
- North Hill Courtyard
- North Hill Boulevard
- Oconee Springs
- Charleston Park
- Non-Residents #1
- Non-Residents #2

Each team will consist of ten players. Each team will have five 2-person teams playing: Three, 2-Person Low Net teams Two, 2-Person Scramble teams. Players must have a USGA handicap to compete in this event (Maximum handicap is 36).

Past winners of the tournament are Fairway Heights/High Bluff (2), North Hill Boulevard, North Hill Courtyard, Oconee Springs (2) and Non-Residents (2). The impressive Community Challenge trophy is housed in the Pro Shop.

Please contact Mike O’Malley at momalley@thegeorgiaclub.com if you have any questions.
