Associates of the Month

Jacob Fortner has been with the club for a relatively short time, but he has quickly proven himself to be an invaluable asset. His contributions to our junior golf program and cart staff, combined with his consistently positive attitude, have been exceptional. We are proud to have Jacob on our team and look forward to his continued success and growth with us.

Grant Rogers has been with the Georgia Club for several years. He originally started as a dishwasher but has recently been promoted to grill. Grant consistently brings a great attitude and a big smile to his work on the grill. His dedication and hard work are evident, and he is truly a valuable asset to our team.
